

**PARENT/GUARDIAN CONSENT TO RELEASE ELIGIBILITY INFORMATION
FOR FREE AND REDUCED PRICE MEALS**

Dear Parent/Guardian:

If your child is eligible for free and reduced price meals, he/she also may be eligible for other benefits. To receive these benefits, you must provide written consent to permit school officials to give your name, address, and an indication that your household is eligible for free and reduced price meals, to representatives of certain programs. **Failure to sign a consent statement that will allow disclosure of this information will not affect your child's eligibility or participation in the school meals program.**

Some of the programs that may request names and eligibility information to be used to provide benefits, and for which parent/guardian consent is required, include: federal health insurance programs such as Medicaid or Children's Health Insurance program (CHIP), other federal programs, State programs, local health and education programs and other local activities. For example, the disclosure of children's eligibility for free and reduced price meals to determine eligibility for free text books, free band instruments, holiday baskets, school supplies, etc., or reduced fees for summer school or driver education programs, would require written consent by the child's parent/guardian.

If you wish to provide consent to release information contained in your child's free and reduced price meal application, to receive other benefits, please complete the attached consent statement.

Please call Nancy Ruiz at 607-687-6284 if you have questions.

Sincerely,
Mark Bordeau
Sr. Food Service Director
